

### Important Phrases Chapter 1 Greeting People in Thai

This worksheet should be used with the ActiveThai interactive program. Visit our website for your free Thai lesson.

#### **Instructions:**

- 1) Browse to the following web page: <a href="https://activethai.com/?go=197">https://activethai.com/?go=197</a>
- 2) Play the ActiveThai program and listen to the native Thai speaker say the phrase.
- 3) Always repeat the words you hear out loud, while looking at the phrase and trying to identify each word.
- 4) Use the following pages to practice writing each phrase. Play the sound file several times while you are writing, and practice saying it over and over out loud while you are forming its shape on paper. Think about its meaning in English.
- 5) Use additional sheets of lined paper to practice on your own. When you have some free time, try to write down the words you can remember.
